## A BILL FOR

An Act to amend section one hundred ninety point one (190.1),  
Code 1950, relating to ice cream manufacture and storage.

*Be It Enacted by the General Assembly of the State of Iowa:*

- 1 Section 1. Section one-hundred ninety point one (190.1),
- 2 Code 1950, is hereby amended as follows:
- 3 1. Insert in line thirteen (13) of subsection thirty-six
- 4 (36) immediately following the words "imitation ice cream",
- 5 the words "except when dispensed directly from the freezer
- 6 into cake cups or cones".

### EXPLANATION OF H. F. 486

The Act in its present form has been construed to require the labeling of all cake cups or cones in which ice milk or imitation ice cream is sold for immediate consumption in the same manner that cartons in which said products are sold are required to be labeled. This Act would except sales in cake cups or cones from the labeling requirements. The large sign which every dealer in ice milk or imitation ice cream is required to keep posted in his establishment is ample notice to the public that the product is ice milk and is not ice cream.
